PETITION

GPT, the assignee of the present invention, hereby petitions the Commissioner of Patents and Trademarks under 37 C.F.R. § 1.47(a) to accept the filing of the attached reissue declaration/power of attorney. The reissue declaration is signed by three of the four original inventors. The fourth inventor, Michael Walsh, has refused to sign the declaration. The requested relief is necessary to avoid prejudicing GPT's rights in and to the patent identified above. A detailed explanation of the circumstances surrounding Mr. Walsh's refusal are provided below and in the accompanying papers.

As provided for in 37 C.F.R. § 1.47(a), "[i]f a joint inventor refuses to join in an application for patent . . . , the application may be made by the other inventor on behalf of himself or herself and the nonsigning inventor. The oath or declaration in such an application must be accompanied by a petition including proof of the pertinent facts, the fee set forth in § 1.17(i) and the last known address of the nonsigning inventor."

On May 20, 1999, Applicants filed the above-identified reissue application in the U.S. Patent and Trademark Office. The reissue application was believed to be complete in all respects except that it was filed, as permitted, without the reissue declaration. Upon receipt of the Notice to File Missing Parts, a combined declaration and power of attorney was prepared for signature by the four named inventors. One of those named inventors, Michael Walsh, has refused to sign the declaration because of

a compensation dispute with his former employer, GPT, who is the current assignee of this reissue application. Despite repeated attempts by an attorney in the undersigned's firm and an officer of GPT, Mr. Walsh has refused to sign.

More specifically, a reissue declaration and power was prepared and sent to Mr. Walsh on July 2, 1999 for execution. See McGurk Declaration, ¶ 2 (Exhibit A). On at least three occasions, we attempted to contact without success Mr. Walsh. Id., ¶ 3. To date, Mr. Walsh has not returned the declaration. Id.

Mr. Seidenberg, President and COO of GPT, called Mr. Walsh in late July 1999 and attempted to get Mr. Walsh to sign the declaration and power, also without success. See Seidenberg Declaration, ¶ 4 (Exhibit B). Mr. Walsh informed Mr. Seidenberg that he would not sign any documents until GPT resolved a compensation dispute with him. Id. According to Mr. Seidenberg, however, the issue has been resolved and concluded, and no further offers or negotiations are expected. Id. Accordingly, Mr. Walsh is not expected to sign any documents relating to this application, including the attached declaration, which has been signed by the remaining inventors.

Mr. Walsh's last known address is 22 Travis Road, E. Patchogue, NY 11772.

In order to preserve GPT's rights in its claimed invention, and to avoid further surcharge fees, GPT is filing this petition to have the accompanying reissue declaration, executed by three of the four named inventors, accepted on behalf of the nonsigning inventor Mr. Walsh. See M.P.E.P. § 409.03(a). For all of the above reasons,

applicants request that the petition be granted and the accompanying reissue declaration accepted.

Please grant any extension of time required to enter this response and petition, and charge any additional, required fees to deposit account 06-0916.

Respectfully submitted,
